

Catherine Hubbard

LIFE

Catherine Hubbard was a kind, loving 6 year old girl adored by her family and friends. She loved all types of animals, from insects to big furry friends, and had a dream of becoming a caretaker of all animals in her own animal shelter. She was never able to fulfill that dream as her life was tragically cut short on December 14, 2012 in the Sandy Hook Elementary School Shooting. To honor her memory, her family made the Catherine Violet Hubbard Animal Sanctuary in Newtown, Connecticut.

Hey Catherine, you were having a wonderful life that was very sadly cut short. Us Everglades students will never stop working to end mass shootings. Rest in peace Catherine.

AMENDMENT

I think that there should be a law or an amendment to control the rate of guns sold to people with some type of mental issues. In my opinion this should be taken more seriously because most of mass shooters have mental issues or have suicide intentions. Gun stores should have stricter restrictions when they are selling these powerful harmful guns to people. "The people have the right to bear arms but they must pass an obligatory"

STATISTIC

Another senseless death.
