Hey Diana, hope you are doing well in heaven with your son Elliot. We all miss you very much, you were such a kind, sweet, caring woman, and an amazing grandmother. I would like you to know that we are trying to make a difference and will stop at nothing until we do.

LIFE

Her name was Diana Lee, she was born on December 27, 1948. She was 68 years old. She tragically died on November 14th, 2017. She was a very kind and caring woman.

AMENDMENT

My classmates and I have been researching the 2nd amendment for months, which states, "A well-regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed." People over the years have found loopholes in the 2nd amendment which is one of the reasons why we have so many mass shootings. If I was given a chance to amend the 2nd amendment I would enforce and make it more in depth/adding detail. So that way people who want to cause harm won't do as much damage as they're doing now.

STATISTIC

Another senseless death.
