Dear Robert, I'm really sorry with what happened, you and your wife were just trying to have a good day trying things when this terrible man did the atrocity, both of you were legends.

LIFE

“Scott Marshall and his wife were attending their first Baptist Church mass, yet little did they know it would be their last. Scott Marshall was a 58 year old veteran from the Air Force and a recent retiree. Scott leaves behind 3 children and several grandchildren. The Marshall family recounts seeing Scott and wife’s car in most TVshots captured from the outside of the church.

AMENDMENT

I think that there should be a law or an amendment that authorizes the government to check and control the selling of guns, maybe some law that protects the people that have mental illness. We have seen that most of the people that are responsible for mass shootings suffer from mental illness, so the gun shops should check and investigate deeply the people that buy weapons. I probably would have made the following amendment: “ The people have the right to bear arms but they must pass an obligatory process of investigation of their records that should take no less than one month of length, after the process the citizen is able to get the gun if you have been a citizen for at least 1 year.”

STATISTIC

Another senseless death.
