Lori I'm so truly sorry on what has happened to you. Me and my peers are working on gun violence, this has had a strong impact on us and other people. It's so tragic you had to die in a place where you were supposed to feel and be safe. May you rest in peace and we will try our best to work on these situations.

## LIFE

Lori Gilbert Kaye Born on August 10, 1958, San Diego, CA. This woman died on the shooting of The Poway Synagogue on April 27, 2019, Poway, Synagogue. She had two siblings, and her parents were named Richard Gilbert. Her husband's name was Howard Kaye and their child was named Hannah Kaye.

## AMENDMENT

The second amendment tells us that we have the right to bear arms. This means it gives us the right to own guns. This law should be stronger and stricter because if mental people are getting their hands-on dangerous guns this means the law is not strong enough because guns are landing on bad people's hands.

## STATISTIC

Another senseless death.
