Daniel, you were a legend. You never separated from what you really loved, I'm really sorry with what happened. Rest in peace.

STATISTIC

Another senseless death.

LIFE

Daniel Simmons was one of the victims of the unfortunate tragedy that took place in the Emanuel African Methodist Episcopal Church in Charleston, South Carolina. He was a retired pastor and would usually lead the church's Bible Study sessions on Wednesdays with all of his heart. He is remembered as a gentle, dependable and good-natured person.

AMENDMENT

I think that there should be a law or an amendment that authorizes the government to check and control the selling of guns, maybe some law that protects the people that have mental illness. We have seen that most of the people that are responsible for mass shootings suffer from mental illness, so the gun shops should check and investigate deeply the people that buy weapons. I probably would have made the following amendment: "The people have the right to bear arms but they must pass an obligatory process of investigation of their records that should take no less than one month of length, after the process the citizen is able to get the gun if you have been a citizen for at least 1 year."
