You were very religious and loved by the fellow Jews. You were a legend, you were 87, a wise man and will be missed surely, heaven gained a new angel.

LIFE

Melvin was a retired accountant that was 87 years old. He was a Jew, he died in a synagogue in Pittsburgh. He was very religious and always was the first one at the shul every time.

AMENDMENT

I think that the second amendment (right to bear arms) needs to be stronger in the way that they need to do background checks before you sell any weapons to anybody. They need to make it stronger by asking for their medical record or something similar.

STATISTIC

Another senseless death.
