Hi, Haley it breaks my heart how you can't become a nurse like you wanted. Just wanted to say that we are doing everything we can stop tragedies like this, we miss you!

LIFE

Haley Krueger was 16 years old. She studied at La Vernia High School. She wanted to become a NICU nurse. She had planned on attending the Galen College of Nursing in San Antonio. She was known as the sweetest girl who loved to wear bows. Haley had a bubbly personality; she was tall and athletic. Haley loved children, that's why her parents created the 'Haley Kids' foundation; an organization that donated school supplies and new clothes for children in need.

AMENDMENT

Mass shootings are out of control. This problem can be reduced if background checks were made necessary for everyone who purchases a gun. If we allowed "red flag" laws, also known as "extreme-risk protection orders" or gun violence restraining orders laws to be passed, it would be better to identify dangerous individuals and take steps to temporarily disarm them before they can harm themselves or anyone else. We can petition the permanent removal of firearms from a person who may have a serious mental illness. We need change!

STATISTIC

Another senseless death.
