You were just a little girl when this happened, so innocent but you pay for a problem that you weren't involved in because of a problem with other people. But don't worry we will do everything we can to solve it.

## STATISTIC

Another senseless death.

## LIFE

Brooke Ward, 5, was the daughter of Joann Ward, 30, and sister of Emily Garcia, 7. All three were killed in the shooting. Joann Ward died attempting to protect her children during the attack, according to a family friend. Her father, Chris Ward, and two siblings, Ryland and Rihanna Ward, survived. Ryland was hospitalized after being shot several times in the attack. Joann Ward had pushed down all her children when she saw the gunman enter the church and open fire on them.

## AMENDMENT

I think that there should be a law or an amendment that authorizes the government to check and control the selling of guns, maybe some law that protects the people that have mental illness. We have seen that most of the people that are responsible for mass shootings suffer from mental illness, so the gun shops should check and investigate deeply the people that buy weapons. I probably would have made the following amendment: " The people have the right to bear arms but they must pass an obligatory process of investigation of their records that should take no less than one month of length, after the process the citizen is able to get the gun if you have been a citizen for at least 1 year."
