## LIFE

Cara Loughran was killed during the Florida school shooting at Marjory Stoneman Douglas High on February 14, 2018. She had a brother and was 14 years old when she was killed. She was an excellent student and she loved the beach. Loughran was also a dancer at the Drake School of Irish Dance in Coral Springs.

## AMENDMENT

I think they should change who can purchase guns and who cannot. I feel like that way life will be easier and mass shootings can be prevented. This young girl died by a killer that used an AR-15 semi style rifle.

## STATISTIC

Another senseless death.
