Hi Mrs. Kaur, I'm so sad to hear about your death. I hope you and your family are all together spending lovely family time. Thank you for putting others before you, you were greatly appreciated. You've been miss for the past 7 years, and you'll be missed for many more. Thank you.

LIFE

Paramjit Kaur was a 41 year old woman killed in the Sikh Temple shooting along with her husband and two sons. In fact, she was the only woman killed in the shooting. August 5, 2012 was the last time this woman saw her husband and two sons. She went to pray every Sunday and Thursday, she valued education greatly. She was a selfless person, she always put her husband and her sons first before anything.

AMENDMENT

My opinion on the 2nd Amendment is that I believe there should be more restrictions and regulations toward the people selling and buying guns. I believe there should be stricter background checks, any person with any type of mental illness should definitely not be allowed to bear arms. Any person with mental illness is capable of doing any catastrophe with a gun. There should be way stricter laws.

STATISTIC

Another senseless death.
