Dear Barbara, we are really sorry with what happened, but I hope that in the close future we will not have things like this happening. We are now starting by writing this magazine. May you rest in peace.

LIFE

Barbara was a 38 year old woman born in Hickory, North Carolina. Barbara was tragically one of the victims in the Rancho Tehama shooting. She is thought to have been killed the night of November 13, 2017, on Bobcat Lane in a domestic violence incident. The others were killed November 14 during shootings at Bobcat Lane, Stagecoach and Oak Park roads and Rancho Tehama Road.

AMENDMENT

I think that there should be a law or an amendment that authorizes the government to check and control the selling of guns, maybe some law that protects the people that have mental illness. We have seen that most of the people that are responsible for mass shootings suffer from mental illness, so the gun shops should check and investigate deeply the people that buy weapons. I probably would have made the following amendment: " The people have the right to bear arms but they must pass an obligatory process of investigation of their records that should take no less than one month of length, after the process the citizen is able to get the gun if you have been a citizen for at least 1 year."

STATISTIC

Another senseless death.
